

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF MICHIGAN  
SOUTHERN DIVISION

CHRISTOPHER WOODS,

Plaintiff,

v.

CASE NO. 1:16-CV-1285

BENZIE COUNTY and BENZIE COUNTY  
SHERIFF'S DEPARTMENT,

HON. ROBERT J. JONKER

Defendants.

ORDER

The proposed Case Management Order extensions (ECF No. 29) are again **DENIED**. Good cause requires the parties to explain why they only got to one deposition despite nearly exhausting the discovery period they requested. The parties must also explain why the added depositions are needed. In short, just because the parties did not get to discovery until the deadline approached is not good cause for an extension.
